

Our Records are as Good as our Communication!

1. Many of you are going to be rotating out of your position...

Please make sure your replacement registers.

They can either use the form on the website or email groupservices@chicagoaa.org

To use the form online... Chicagoaa.org, then select: A.A. in Chicago, then Service Opportunities, finally: General Service Representative (GSR) (form is just below description of role).

2. Do you want to get CASA Mailing via Email Only!

Email groupservices@chicagoaa.org and we can get your preference recorded.

3. Do you get The Buzz through Constant Contact!

We have been transitioning to this for helping spread the word about events, and the hope is any member that wants to know about what is going on in Area 19 can get these emails. Maybe even limit all the attachments in email directly from the office to help keep the size limit to items of business (and us not getting flagged as spam. Constant Contact allows us to send more information out to more people all at once, yet also allows you to unsubscribe to stop. This way we do not use the same email distribution list from the database (GSRs & Meeting Contact) and instead treat as a digital communication tool for all those that want it, and something that we can do weekly (that's the goal). Currently we are sending out every other week.
